THE MARATHON FOR SHANTI ASHRAM

From an idea of Antonia Testa and Luca Savelli, world-class obstetricians and gynaecologists come together for an intellectual Marathon of Solidarity during this unprecedented COVID-19 pandemic.

This virtual Marathon is unique, because in addition to being marked by dialogue and the sharing of cutting-edge knowledge, it will be an act of solidarity. The event will help support **Shanti Ashram**, a Gandhian center of development, learning and collaboration in India. In the midst of the Pandemic, this concrete support will help sustain Shanti Ashram's public health services and vital developmental outreach for vulnerable families, children, young people and elders across its service villages.

Come join us to stand in solidarity!
